Hole Diameter:

0.688 inches

Discharge Connection Type:

Flanged

Overall Length:

29.750 inches

Overall Width:

15.000 inches

Operation Method:

Steam

Sound Unit Type:

Single

Projector Type:

Straight

Projector Quantity:

1

Projector Flare Maximum Outside Diameter:

10.000 inches

Projectorlength:

25.250 inches

Err Default:

Err default

Sound Signal Direction Quantity:

1

Product Name:

Horn, fluid operated

Special Features:

Material bronze per mil-b-16541

Surface Treatment:

Bronze, brushed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T104-e
