Overall Height:

6.000 inches

Overall Width:

6.000 inches

Dc Voltage Rating:

Between 12.0 volts and 24.0 volts

Overall Diameter:

2.875 inches

Housing Material:

Steel

Inclosure Feature:

Watertight

Sound Projector Type:

Beep

Operating Power Type:

Electric

Err Default:

Err default

Special Features:

Protective screening; unoversal mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T104-d
