**Dc Voltage Rating:**

24.0 volts

**Environmental Protection:**

Corrosion resistant and dustproof and weather resistant

**End Application:**

3930-01-275-6420 truck, lift, fork

**Electrical Power Source Relationship:**

Self-contained

**Loudness Level In Decibels:**

112 db at 10 ft

**Sound Projector Quantity:**

1

**Mounting Bracket:**

Provided

**Operating Power Type:**

Electric

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T104-d
