Dc Voltage Rating:

24.0 volts

Environmental Protection:

Corrosion resistant and dustproof and weather resistant

End Application:

3930-01-275-6420 truck, lift, fork

Electrical Power Source Relationship:

Self-contained

Loudness Level In Decibels:

112 db at 10 ft

Sound Projector Quantity:

1

Mounting Bracket:

Provided

Operating Power Type:

Electric

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T104-d
