Overall Length:

13.625 inches

Overall Diameter:

6.750 inches

Inclosure Feature:

Watertight

Loudness Level In Decibels:

95 db at 10 ft

Sound Projector Quantity:

1

Sound Projector Type:

Trumpet

Criticality Code Justification:

Zzzy

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T104-e
