

View Online at <https://aerobasegroup.com/nsn/6350-01-315-9989>

Special Features:

Stereo doppler technology, hi/lo sensitivity switch, circuit supervision, standby power, special signal processing, precision antenna, auxiliary alarm relay; e/i. An-gss-39

Reference Data And Literature:

31s9-2gss39-1

Fsc Application Data:

Alarm, signal, security systems

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
