

View Online at <https://aerobasegroup.com/nsn/6350-01-316-0834>

**Special Features:**

4stereo doppler technology; hi/low sensitivity switch; cicuit supervision; standby power; special signal processing; precision antenna; auxililary alarm relay; e/i an/gss-39; 80 ft l, 80 ft w, 40 ft h potection pattern; 10510 mhz frequency range

**Reference Data And Literature:**

31s9-2gss39-1

**Fsc Application Data:**

Alarm, signal, security systems

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
