

View Online at <https://aerobasegroup.com/nsn/6350-01-316-0836>

Special Features:

Stereo doppler technology; hi/lo sensitivity switch; circuit supervision; standby power; special signal processing; precision antenna; auxiliary alarm relay; e/i an/gss-39; 80 ft l, 80 ft w, 40 ft h protection pattern; 10535

Reference Data And Literature:

31s9-2gss39-1

Fsc Application Data:

Alarm, signal, security systems

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
