Terminal Quantity:

5

Terminal Type:

Screw

Current Type:

Dc

End Application:

Countermeasures systems

Internal Battery Accommodation:

Not included

Operation Method:

Electrical

Loudness Level In Decibels:

92 db at 10 ft

Sound Projector Quantity:

1

Mounting Bracket:

Not provided

Sound Unit Type:

Single

Projector Type:

Any acceptable

Projector Quantity:

1

Voltage In Volts:

24.0

Special Features:

Strobe light included

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T104-e
