**Mounting Type:**

Bracket

**Overall Length:**

5.750 inches

**Overall Height:**

4.000 inches

**Overall Width:**

3.250 inches

**Current Type:**

Dc

**Environmental Protection:**

Dustproof

**Operating Temperature Range:**

-40.0/+185.0 degrees fahrenheit

**Loudness Level In Decibels:**

112 db

**Voltage In Volts:**

24.0

**Special Features:**

Solid state; low frequency tone; voltage spike and surge protected; sound at 60 pulses per minute

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T104-e
