Mounting Type:

Bracket

Overall Length:

5.750 inches

Overall Height:

4.000 inches

Overall Width:

3.250 inches

Current Type:

Dc

Environmental Protection:

Dustproof

Operating Temperature Range:

-40.0/+185.0 degrees fahrenheit

Loudness Level In Decibels:

112 db

Voltage In Volts:

24.0

Special Features:

Solid state; low frequency tone; voltage spike and surge protected; sound at 60 pulses per minute

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T104-e
