Mounting Type:

Unthreaded hole

Overall Width:

0.780 inches

Mounting Hole/stud Quantity:

1

Terminal Thread Size And Series/type Designator:

7/8-20 unef

Internal Battery Accommodation:

Not included

Current Rating In Amps:

5.5

Operation Method:

Electrical

Loudness Level In Decibels:

125 db at 4 inches

Sound Projector Quantity:

1

Mounting Bracket:

Provided

Sound Unit Type:

Single

Projector Type:

Straight

Projector Quantity:

1

Sound Signal Direction Quantity:

1

Voltage In Volts:

12.0

Frequency In Hertz:

360.0

Surface Treatment:

Enamel, black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T104-e
