Hole Diameter:

0.187 inches

Overall Length:

2.440 inches

Dc Voltage Rating:

Between 12.0 volts and 48.0 volts

Mounting Hole/stud Quantity:

5

Overall Diameter:

2.900 inches

Operating Temperature Range:

-40.0/+74.0 degrees celsius

End Application:

Crane, high speed, high mobility (tam) b0443

Housing Material:

Plastic

Internal Battery Accommodation:

Not included

Loudness Level In Decibels:

112 db

Sound Projector Quantity:

1

Sound Projector Type:

Diaphragm

Mounting Bracket:

Provided

Operating Power Type:

Electric

Err Default:

Err default

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T104-d
