Heat Detector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6350-01-452-5542

Special Features:

Construction- high impact engineering polymer, finish white,	intelligent rate-of rise and fixed temperature heat detector is component of the
signature series system, heat sensor detects fast flaming fire	e; fixed temperature 135 degrees f; relative humidi type 0 to 93 percent

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T104-a
