Current Type:

Ac

End Application:

Fire and flooding alarm system

Inclosure Feature:

Watertight

Operation Method:

Electrical

Loudness Level In Decibels:

80 decibels

Sound Projector Quantity:

11

Voltage In Volts:

120.0

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T104-e
