Overall Length:

1.420 inches

Dc Voltage Rating:

Between 15.0 volts and 36.0 volts

Overall Diameter:

1.420 inches

End Application:

2320-01-417-3180

Alarm Type:

Buzzer

Special Features:

Heavy duty; flame retardant noryl thermoplastic; stainless steel resonator with water-proof & shock resistant electronics sealed in epoxy resin; quick disconnect

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T104-b
