Overall Length:

3.860 inches

Overall Height:

1.000 inches

Overall Width:

2.000 inches

Current Type:

Dc

Voltage In Volts And Current Type:

24.0 dc

Product Name:

Low speed warning detector

Voltage In Volts:

24.0

Special Features:

Used in conjunction with a fan to indicate low rotational speed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T104-a
