Overall Length:
3.860 inches
Overall Height:
1.000 inches
Overall Width:
2.000 inches
Current Type:
Dc
Voltage In Volts And Current Type:
24.0 dc
Product Name:
Low speed warning detector
Voltage In Volts:
24.0
Special Features:
Used in conjunction with a fan to indicate low rotational speed
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

T104-a
