Mounting Type:

Flange mounted

Overall Length:

6.125 inches

Overall Height:

1.750 inches

Overall Width:

3.000 inches

End Application:

Boat 25hs

Internal Battery Accommodation:

Not included

Current Rating In Amps:

1.0

Operation Method:

Electrical

Loudness Level In Decibels:

112db

Special Features:

Black dual horn with gasket; same as 84200 except with male spade connectors

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T104-e
