Overall Length:

18.500 inches

Overall Height:

5.000 inches

Overall Width:

8.000 inches

End Application:

Boat

Housing Material:

Steel

Operation Method:

Electrical

Loudness Level In Decibels:

122db at 1 meter

Sound Projector Type:

Diaphragm

Sound Unit Type:

Any acceptable

Projector Type:

Straight

Projector Quantity:

2

Special Features:

100% stainless steel, type 304 stainless steel diaphragm dual trumpet horn, fundamental frequency 390+/- 15/330+/- 15

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T104-e
