Mounting Type:

Bracket

Overall Length:

16.500 inches

Overall Height:

4.750 inches

Overall Width:

4.000 inches

Current Type:

Dc

Operation Method:

Electrical

Loudness Level In Decibels:

116 at one meter

Mounting Bracket:

Provided

Sound Unit Type:

Any acceptable

Projector Type:

Straight

Voltage In Volts:

24.0

Special Features:

100% stainless steel exterior, type 304 stainless steel diaphragm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T104-e
