Overall Height:

3.120 inches

Current Type:

Dc

Overall Diameter:

5.500 inches

End Application:

Inls

Voltage In Volts And Current Type:

18.0 dc

Product Name:

Alarm, smoke, automatic

Voltage In Volts:

18.0

Special Features:

Detector is supplied with a mounting bracket kit that allows the detector to be mounted: directly to a 3.5 inch or 4.0 inch octagonal, 1.5 inch deep electrical box or to a 4.0 inch square electrical box by using a plastic ring with the supplied mounting bracket kit.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T104-a
