Signal Horn - Page 1 of 2

View Online at https://aerobasegroup.com/nsn/6350-01-538-2468

Mounting Type:
Bracket
Overall Length:
3.660 inches
Overall Height:
5.300 inches
Overall Width:
5.300 inches
Current Type:
Ac
Mounting Hole/stud Quantity:
1
Operating Tempurature Range:
-65.0/+150.0 degrees fahrenheit
Housing Material:
Zinc, die cast
Internal Battery Accommodation:
Not included
Current Rating In Amps:
0.1
Inclosure Feature:
Watertight and dustproof
Operation Method:
Electrical
Loudness Level In Decibels:
1000 db at 10 ft
Sound Projector Quantity:
1
Sound Projector Type:
Diaphragm
Mounting Bracket:
Provided
Sound Unit Type:
Single
-
Projector Type:
Any acceptable
Projector Quantity:
1 Saved Signal Dispation Oversity:
Sound Signal Direction Quantity:
1 Vallana la Valla
Voltage In Volts:
240.0
