**Special Features:**

Intelligent plug-in temperature sensor utilizes state-of-art thermistor sensing circuit for fast response; rate-of-rise temperature sensor with 135 degree f fixed temperature alarm; 15 to 32 vdc peak voltage range, 300ua @ 24 vdc standby current

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T104-a
