Ac Voltage Rating:

Between 40.0 volts and 130.0 volts

Frequency Rating:

Between 2.4 hertz and 3.4 hertz

End Application:

4520-01-566-6669 heater, water 400, 000

Electrical Power Source Relationship:

Self-contained

Product Name:

Piezo sound alarm

Special Features:

Tone type: warble; output: 95.0 db; molded from ge valox; all solid state; encapsulated; installs in 1.125 inch hole or 0.750 inch standard k.O.; comes with gasket installed; operating temps: minus 20.0c to 50.0c; 0.250 quick connect terminals

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T104-b
