End Application:

Control, alarm

Product Name:

Nx-6

Special Features:

Operating power, : 16.5 vac, 50/60 hz, 35 va; current consumption: 70 ma; built in siren driver: 112db, 2 tones (steady or yelp); dimensions of pcb board 280 x 90 mm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A31700
