Unit Package Quantity:

1 ml

Unit Package Type:

Vial

Supplied Amount:

1.00 milliliters

Buffered Diluent:

Not included

Product Name:

Tuberculin purified protein derivative equiv 5 us un dose 10 dose

Special Features:

Stabilized liquid form; bio-equivalent to 5 u.S. Units tu-ppd-s per dose; 10 doses

Supplementary Features:

Note: fg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T088-c
