Active Medicament Medicinal Strength:

Equivalent to 150.000mg colistin base

Primary Container Type:

Vial

Primary Container Content Quantity:

0.150 grams

Product Name:

Colistimethate sodium sterile usp 0.150gm

Special Features:

Lyophilized

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A45100
