Physical Form:

Crystal or powder

Active Medicament Medicinal Strength:

Equivalent to 1000000.000 units of penicillin g

Primary Container Type:

Vial

Stabilizer:

Buffering agent

Primary Container Content Quantity:

1000000.000 units

Product Name:

Penicillin g potassium for injection usp vial 1, 000, 000 units 100s

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A34300
