Primary Container Type:

Packet

Primary Container Content Quantity:

1.200 grams

Total Primary Container Quantity:

100

Administration:

Topical

Active Ingredient And Strength:

10.000 povidone-iodine percentage, w/w

Special Features:

Unit package type: package

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513w0
