Features Provided:

Tamper proof

Primary Container Type:

Vial

Primary Container Content Quantity:

50.000 milliliters

Total Primary Container Quantity:

100

Product Name:

Water for injection sterile usp 50ml vial 100s pg

Exterior Container Weight:

15.50 pounds

Exterior Container Cubic Measure:

0.60 cubic feet

Special Features:

Rubber stoppered vial

Unit Package Type:

Package

Unit Of Issue Cube:

0.01 cubic feet

Unit Of Issue Weight:

0.16 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A45100
