Features Provided:

Sterile

Primary Container Type:

Packet

Secondary Container Type:

Box

Primary Container Content Quantity:

5.000 grams

Primary Container Quantity Per Secondary Container:

144 packet

Total Primary Container Quantity:

576

Total Secondary Container Quantity:

4

Supplementary Features:

Medsep item for dod, sherwood medical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A45100
