Primary Container Type:

Any acceptable

Primary Container Content Quantity:

10.000 milliliters

Product Name:

Sodium fluoride varnish 5% 10 ml; duraflor tube

Special Features:

Sodium fluoride solution 5%; 10 ml; relieves hypersentives teeth

Reference Number Differentiating Characteristics:

Low u/i nsn. Cage 3ae98 part number 10011-u.S. Is manufacture but only sells in 12s. This nsn is sold by distributors as 1 ea.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A45100
