Physical Form:

Liquid

Unit Package Type:

Vial, single dose

Protective Storage Feature:

Controlled room temperature and subject to damage by freezing

Product Name:

Plasma protein fraction 5%plasbumate/100ml 250ml sdv vi

Special Features:

5% plasbumate/100ml, 250ml single dose vial; rubber stoppered; heat treated; administered intravenously; no administration set; do not use frozen solution

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T088-c
