Usp Plasma Protein Fraction - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6505-01-562-1968

Physical Form:
Liquid
Unit Package Type:
Vial, single dose
Protective Storage Feature:
Controlled room temperature and subject to damage by freezing
Product Name:
Plasma protein fraction 5%plasbumate/100ml 250ml sdv vi
Special Features:
5% plasbumate/100ml, 250ml single dose vial; rubber stoppered; heat treated; administered intravenoulsy; no administration set; do not
use frozen solution
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
T088-c
