Unit Package Quantity:

200

Physical Form:

Cake

Unit Package Type:

Package

Usage Design:

Fresh water

Ingredient Classification:

Medicated

Strength:

Any acceptable

Floating Feature:

Not included

Lanolin Feature:

Not included

Abrasive Additive:

Not included

Exterior Container Weight:

32.00 pounds

Exterior Container Cubic Measure:

0.70 cubic feet

Exterior Container Quantity:

1

Special Features:

Unwrapped cake weight range from 2.0 to 3.0 oz ea; contains a suitable antimicrobial agent capable of temporarily reducing the number of bacteria on the skin and providing a deodorant effect

Unit Of Issue Cube:

1.000 cubic feet

Supplementary Features:

D-day item for dod

Unit Of Issue Weight:

39.00 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T00400
