Width:

Between 3.500 inches and 4.000 inches

Length:

10.000 yards

Material Location:

Exterior Container Weight:

20.00 pounds

Exterior Container Cubic Measure:

1.652 cubic feet

Special Features:

Extra lge, adult; open netted; for holding wet or dry dressing in place; used for extra lge chest, abdomen, breast, axilla, shoulder, back, genital, anal, perinem, gluteal, femoral, hip; ekg pad during prolong monitoring

Material:

Rubber w/nylon and polyester covering

Material:

Rubber w/nylon and polyester covering

Unit Of Issue Cube:

0.0165 cubic feet

Supplementary Features:

Stretches to length of 30 yards; boxes are color coded by size; material is white

Unit Of Issue Weight:

2.00 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T00600
