End Application:

Ideal forstrapping sprains, strains, fractures and muscle injuries

Width:

3.000 inches

Length:

5.0 yards

Features Provided:

Cloth

Product Name:

Adhesive tape surgical 3" 4s

Special Features:

Conforms readily to joint areas; porous 4 rolls per package

Color:

Buff

Material:

Rubber synthetic and cotton

Supplementary Features:

Vmi contract item 0005

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A14300
