**Design Designation:**

Pezzer

**Proximal End Funnel Quantity:**

1

**Tip Type:**

Open end

**Core Fabrication Method:**

Not woven

**Diameter:**

0.281 inches

**Material And Location:**

Plastic connector and plastic body and rubber, natural cap

**Product Name:**

Tube connecting urinary drainage pezzler e3 plas disp 9/32 in 50s

**Special Features:**

Transparent, adapter cap with vent holes, 9/32 in. (0.71 cm) id; use as a connecting tube between a urethral catheter and a drainage bottle; unit qty, 50; individually sealy plastic envelope; destruction after 60 months

**Style Designator:**

Drainage tubing

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A22100
