Overall Length:

18.000 inches

Usage Design:

Phalange

Material And Location:

Plastic foam padding

Usage Location:

Either hand

Product Name:

Splint finger phalange 18x.75" either hand may be cut & bent 12s

Exterior Container Weight:

30.00 pounds

Exterior Container Cubic Measure:

4.634 cubic feet

Exterior Container Quantity:

12

Special Features:

Foam plastic bonded to aluminum strip, 3/4 by 18 in. Lg; sterilizable; penetrable by x-ray; may be cut to length and bent to desired shape

Intermediate Package Quantity:

1

Unit Of Issue Cube:

0.059 cubic feet

Supplementary Features:

D-day item for dod

Unit Of Issue Weight:

0.92 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-j
