Design Designation:

Murphy

Inflation Device:

Inflation tube w/pilot balloon

Tip Type:

Oblique

Core Fabrication Method:

Not woven

Patient Size Designation:

Adult

Diameter:

38.000 french

Material And Location:

Plastic

Features Provided:

Sterile and disposable

Special Features:

W/connector

Style Designator:

Tracheal w/ cuff

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
