Design Designation:

Bell

Material And Location:

Steel, corrosion resisting tube

Product Name:

Erysiphake bell design stainless steel cup eye surgery

Exterior Container Cubic Measure:

1.60 cubic feet

Exterior Container Quantity:

576

Special Features:

With rubber bulb; for holding or fixing lens during eye surgery

Intermediate Package Quantity:

12

Unit Of Issue Cube:

0.001 cubic feet

Unit Of Issue Weight:

0.03 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-c
