Overall Length:

4.250 inches

Usage Design:

For tying sutures during eye surgery

Design Designation:

Nugent

Jaw Type:

Smooth

Product Name:

Forceps eye utility nugent angular and smooth jaw 4.250" lg crs

Special Features:

D-day item for dod

Material And Location:

Stainless steel

Shape:

Angular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A517I0
