Overall Length:

60.000 centimeters

Length:

50.000 centimeters

Design Designation:

Jackson

Material And Location:

Steel, corrosion resisting collar

Surface Treatment And Location:

Nickel plated handle

Handle Shape:

Straight

Minimum Clearance Required:

4.000 millimeters

Special Features:

Child size; for use with bronchoscope

Unit Of Issue Cube:

0.012 cubic feet

Unit Of Issue Weight:

0.28 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-d
