**Overall Length:**

24.500 centimeters

**Handle Type:**

Nondetachable

**Usage Design:**

Obtaining bladder tumor specimen

**Design Designation:**

Braasch

**Unit Type:**

Cannulated

**Grip Type:**

Pistol

**Jaw Type:**

Oval and cupped

**Jaw Grasping Method:**

Cutting edge

**Surface Treatment And Location:**

Nickel and nickel jaw and nickel stylet

**Special Features:**

Size: 4 millimeter; min. Required clearance: 4.000 millimeters

**Material And Location:**

Copper alloy and aluminum handle and steel jaw and steel stylet

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A51710
