**Overall Length:**

7.000 inches

**Usage Design:**

Used in neurological procedures

**Design Designation:**

Cushing

**Jaw Type:**

Straight and serrated

**Product Name:**

Forceps dressing cushing 7" lg str & serrated rd tip slender mdl

**Special Features:**

Slender model

**Material And Location:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A51710
