Overall Length:

7.000 inches

Usage Design:

Used in neurological procedures

Design Designation:

Cushing

Jaw Type:

Straight and serrated

Product Name:

Forceps dressing cushing 7" lg str & serrated rd tip slender mdl

Special Features:

Slender model

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51710
