Dressing Forceps - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6515-00-333-3100

Overall Length:
7.000 inches
Usage Design:
Used in neurological procedures
Design Designation:
Cushing
Jaw Type:
Straight and serrated
Product Name:
Forceps dressing cushing 7" lg str & serrated rd tip slender mdl
Special Features:
Slender model
Material And Location:
Stainless steel
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A517l0
