**Design Designation:**

Conzett

**Material And Location:**

Steel, corrosion resisting protractor

**Product Name:**

Goniometer orthopedic conzett stainless steel

**Exterior Container Weight:**

60.00 pounds

**Exterior Container Cubic Measure:**

2.30 cubic feet

**Exterior Container Quantity:**

48

**Special Features:**

Cres bars and protractor; for measuring flexion and extension of joints

**Intermediate Package Quantity:**

1

**Unit Of Issue Cube:**

0.003 cubic feet

**Unit Of Issue Weight:**

0.88 pounds

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T133-c
