Head Length:

2.250 inches

Gripping Surface Condition:

Fluted

Overall Length:

7.500 inches

Handle Type:

Hollow

Reinforcement Method:

W/o reinforcement

Design Designation:

Kirk

Material And Location:

Brass head

Surface Treatment And Location:

Chromium plated or nickel plated

Face Diameter:

1.500 inches

Head Shape:

Cylindrical

Face Finish:

Not provided

Exterior Container Weight:

50.00 pounds

Exterior Container Cubic Measure:

1.056 cubic feet

Exterior Container Quantity:

24

Intermediate Package Quantity:

1

Unit Of Issue Cube:

0.033 cubic feet

Unit Of Issue Weight:

1.67 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-h
